Join Master Guide Steve Johnson on the ***Ultimate Alaskan Hunting Adventure*** for one hunter for a 10-Day ***Alaskan Brown Bear Hunt*** (arrival & departure days are not counted as hunt days). This Brown Bear Hunt is to take place in the fall of 2018 in GMU 19C of the Alaska Range. This is a fly out hunt using small aircraft to support hunters in the field. Hunter fly into Anchorage & charter out to base camp for the start of the hunt. Hunters will hunt out of spike camps during the course of this 10-day 1x1 spot & stalk hunt for open dates in September of 2018.

Method of take is rifle. Hunters are responsible for all pre & post hunt expenses to Anchorage & for charter fees of \$2,000 to base camp which gets the hunter out & back to base camp; however, once in camp, all transportation is provided as is field prep of your trophy. The hunter is responsible for license (\$170) & government tag (\$1,000). Gratuities for guide & staff are not included. Other species that may be taken on a trophy fee basis are Moose: \$8500, Caribou: \$5000, Black Bear: \$2500. This area offers outstanding opportunities for large Alaskan Brown Bear with high quality hides. Additional hunters are welcome at \$15,000 per person & non-hunters are welcome at \$2,500 per person.
