***A Matching Set of 9 Oz. Waterford
Crystal Lismore Diamond Tumblers***

All Pieces Signed by Waterford Artisan Bernard O'Brien

River City Bank of Louisville has generously donated a Waterford Crystal Decanter & **THE BAKERS RACK** of Owensboro has generously donated a matching set of two Waterford tumblers all in the Lismore Diamond pattern. The Lismore Diamond pattern is a strikingly modern reinvention of the Waterford classic; characterized by intricate diamond cuts rendered in radiant fine crystal. The clarity of this radiant Lismore Diamond Decanter & Tumbler Set ensures that the rich color of its contents is highlighted beautifully; serving as a feast for the eye as well as the palette.

Waterford Artisan Bernard O'Brien has signed all pieces of this exquisite set of Waterford Crystal Decanter & Tumblers. Bernard O'Brien is one of only a few craftsmen at the House of Waterford Crystal whose expert skills allow him to cut the most difficult pieces Waterford produces, with ease and

precision. His signature and the seahorse marking guarantee the authenticity of this Lismore Diamond Set.
