The purchaser of this *Keeton Custom Knife* will join the likes of **General H. Norman Schwarzkopf, "Tubby" Smith, "Fuzzy" Zoeller, Arnold Palmer, John Daly, "Chi-Chi" Rodriguez, Hubert Green, Paul Azinger, and Jockey Pat Day!**

The knife Bill Keeton has handcrafted for our 2017 Kentuckiana Chapter of SCI Fundraiser is his Canadian Belt Knife II. This unique style continues to be one of Bill's most popular hunting knives, which model has a 4-inch blade and an overall length is 8.5 inches.

The blade of this timeless knife is made of CPM 154 stain resistant tool steel that has been cryogenically heat-treated and has a Rockwell hardness of 61, which performs really well in the field. The blade is etched with "**KYSCI 2017**" making this distinctive knife a "one-of-a-kind" work of art which significantly increases its value.

The handle material is an exceptional stabilized wood that has a stainless steel thong-hole liner inside. The wood handle is accented with very thin red handle spacers. Included with this classic knife is a "wet-formed" top quality leather sheath, a zip-up storage case with "Keeton Custom Knives" emblazoned in gold and a "Certificate of Origin" which describes this handsome knife.

Value: \$525.00
