You provide your favorite setting & **Ugly Dog Distillery's Owner**, David Salmon, will provide the product & other items needed & will personally co-host & conduct your own private vodka tasting party for 12 of your favorite people over the age of 21!

Established in 2009 & located in Chelsea Michigan, **Ugly Dog Distillery** is Michigan's premiere vodka & gin producer. The distillery was named after our forever-loyal, hunting companion Ruger, a German wire haired pointer (better known as **Ugly Dog**). Born out of a passion for the outdoors & a desire to create the best product possible, **Ugly Dog** products are crafted in small batches from Michigan Winter Wheat in stills we built by hand to obtain the smoothest flavor profiles for our products. All aspects of our production processes are done utilizing traditional methods to ensure the highest quality product.

Ugly Dog Distillery will give you your own shaker & customize the labels of 12 bottles of Vodka or Gin with your dog's picture (winning bidder's choice). **Donation Value: \$1,000.00**
