Our friends at Rudolf Ranch have generously donated a 3-night/3-day Wisconsin Whitetail Deer Hunt including trophy fee for one Wisconsin Whitetail Deer up to 150 inches for one hunter and one observer at the beautiful, privately owned Rudolf Ranch near Tripoli, Wisconsin with accommodations at the nearby Wild North Saloon Motel. Enjoy this exciting one-on-one guided hunt on open dates from September through December of 2018 or 2019 with the method of take being the hunter's choice on 1380 acres behind a high fence. Being born on the property and allowed to roam free, these beautiful Wisconsin Whitetails know every nook, cranny and hiding place which creates challenging hunting experiences that are ethical and sustainable.

Rudolf Ranch manages two hunting preserves in Wisconsin featuring a variety of habitats with deer and elk roaming through woods and open grassland. In addition to the included beautiful Wisconsin Buck, the winning bidder may elect to add a Bison, Elk, Sika Deer or Piebald Deer at list prices. Additional hunting days may be added at \$200 per day and additional observer days may be added for \$100 per person per day. Additional hunters are most welcome per the list price. See our website, www.rudolfranch.com for prices and availability of other species, maps and descriptions of both properties (The second hunting property is located near Ogdensburg, Wisconsin. Both properties offer inside and outside fence hunting.)

This generous donation is within a day's drive of Louisville (675 miles). Included are 3-nights accommodations, 3-days one-on-one guiding, trophy fee for one Wisconsin Whitetail up to 150 inches, skinning, government health test if required, and transport to local processors if needed.
