### **The Monarch of the Mountains:**

Sam and Alice Monarch have hunted with Madubula Safaris on multiple occasions collecting outstanding trophies and are considered family. The one animal that has eluded Sam's crosshairs is the fleet footed and very wary Vaal Rhebuck! It's a small antelope that you find in beautiful Eastern Cape Mountains from an elevation of 6,000 feet and higher and is a challenge to hunt no matter your weapon of choice.

Sam would have loved to have one of these elusive animals take residence in his home and so, IN MEMORY of SAM MONARCH, Madubula Safaris is offering an 8-Day Safari for one hunter and one observer in the beautiful Eastern Cape Mountains. Also included is the trophy fee for one Vaal Rhebuck.

Accommodations in a well-equipped quaint stone under thatch lodge with meals to appease any appetite are included. Hunting will take place in a 350,000-acre conservancy. Pick up and drop off is the Port Elizabeth Airport. One hunting vehicle and Professional Hunter with skinners will ensure a worry free exciting trip. Additional species are available to hunt at the current trophy fee list. Additional hunters and observers can added at \$585 and \$285 per day. This donation excludes flight costs to and from Port Elizabeth Airport, firearm clearance at OR Tambo Airport and any alcohol consumed during the safari. This donation is valid for 2018 only. If we have to put a value on this donation... **PRICELESS...**

Sam, in his own way, has had an impact on so many people's lives. He was a mentor and friend to most and the smokey 'Boom' of his muzzleloader will be remembered for many more years....
