Our friends at KapRiver Outfitters have generously donated a 6-night/5-day duck & grouse combo hunt over seasoned retrievers & pointing dogs in Kapuskasing, Ontario for 1 hunter, valid for open dates during the September 10 – November 10, 2019 – 2020 hunting seasons. Hunters are encouraged to bring their own retriever &/or pointing dogs along. Our hunter is also encouraged to bring other hunters along to enjoy & share this great experience. Groups up to 10 are welcome. Additional hunters welcome @ \$2000 & Non-Hunters welcome @ \$1000 per hunt. Lodging (7 bedrooms & 4 bathrooms), meals (breakfast, sack lunch & home-style dinner), guides with retrievers & pointing dogs are provided. Before & after hunt expenses, \$150 license & gratuities are not included.

We hunt ducks & geese in large rice bays on the famous KapRiver, the 1<sup>st</sup> staging area for birds coming off James Bay. The numerous lakes & rivers in this part of Northern Ontario also have plenty of wild rice which attract & hold large numbers of blacks, mallards & many other species such as widgeon, teal, pintail, woodies, & more. There are plenty of divers: ring bill lesser scaup, golden eye & more. We also hunt local grain fields.

The Kapuskasing area, with its mixed forests of pine, birch & aspen are perfect for excellent numbers of grouse as well as sharp tail & spruce grouse. Expect 7 to 10 flushes an hour on average. KapRiver Outfitters train gun dogs professionally, so Peter knows you will have an enjoyable "Ruffie" hunt. You will be hunting light cover with good pointers &/or flushing dogs. Along our waterways there are miles of high bush cranberry patches that hold countless numbers of grouse both ruffed & sharp tail. The cover is light, with good visibility for doable shooting.

The closest commercial airport is in Timmins, Ontario (approximately 100 miles) where clients can rent a pickup or SUV. Transportation to & from hunting area is the responsibility of the hunters. Airport pick up and return is available at \$500. Those with a private plane can make arrangements to land at the Kapuskasing Airport. This is a 100% donation, so all of the proceeds from the auction go directly to KYSCI.
